

Impaired Driver Mobilization Grant

The Deer Park Police Department has been awarded the Impaired Driver Mobilization Grant through the Texas Department of Transportation.

The grant is in conjunction with the states “Drink. Drive. Go To Jail” campaign, which will allow the Department to provide extra staffing hours over Spring Break, March 10th through March 18th.

The sole purpose of this grant is the locating and arresting of impaired drivers. To accomplish this, we will be saturating high risk areas of the City with extra patrol to ensure compliance through visibility and enforcement.

Through these efforts we hope to make Deer Park a safer place for you and your loved ones this Spring Break.
